# PROGRAM DESCRIPTION

URBE University MBA program aims to provide a solid education in offering courses across several functional areas. The MBA degree program requires the completion of 45 credit hours of which 36 credits are core/foundation courses. Each concentration consists of 9 credit hours for each concentration. Additionally, the students will have an opportunity to choose from the following concentrations: Accounting, Finance, Healthcare Administration, Human Resource Management, Information Security Management, Management, and Supply Chain Management.

URBE University's online platform provides students with the latest tools for collaborative virtual learning environment. Each student has the opportunity to study and apply innovative solutions for the courses; collaboration between the faculty and other students; and online resources that help the student to develop the knowledge. Our students learn doing activities in the virtual classroom as well as simulations, group encounters, attending video conferences, among other very practical activities.
